Procedures

Our accident book:

- is kept safely and accessibly;
- is accessible to all staff and volunteers, who know how to complete it; and
- is reviewed termly to identify any potential or actual hazards.

Dealing with incidents

We meet our legal requirements for the safety of our employees by complying with RIDDOR (the Reporting of Injury, Disease and Dangerous Occurrences Regulations). We report to the Health and Safety Executive:

- any accident to a member of staff requiring treatment by a general practitioner or hospital; and
- any dangerous occurrences. This may be an event that causes injury or fatalities or an event that does not cause an accident but could have done, such as a gas leak.
- Any dangerous occurrence is recorded in our incident book. See below:

Our incident book

- We have ready access to telephone numbers for emergency services, including local police.
- We keep an incident book for recording incidents including those that are reportable to the Health and Safety Executive as above.
- These incidents include:
 - break in, burglary, theft of personal or the setting's property;
 - an intruder gaining unauthorised access to the premises;
 - fire, flood, gas leak or electrical failure;
 - attack on member of staff or parent on the premises or nearby;
 - any racist incident involving staff or family on the centre's premises;
 - death of a child, and
 - a terrorist attack, or threat of one.
- In the incident book we record the date and time of the incident, nature of the event, who was affected, what was done about it - or if it was reported to the police, and if so a crime number. Any follow up, or insurance claim made, should also be recorded.
- In the unlikely event of a terrorist attack we follow the advice of the emergency services with regard to evacuation, medical aid and contacting children's families. Our standard Fire Safety Policy will be followed and staff will take charge of their key children. The incident is recorded when the threat is averted.
- In the unlikely event of a child dying on the premises, the emergency services would be called, and the advice of these services followed.
